Sick Fertilizer Units in the Eastern region

2166. SHRIMATI KANAK MUKHERJEE: Will the Minister of AGRICULTURE be pleased to state:

(a) the number of sick fertilizer units in the eastern region;

(b) the nature of such sickness in each case; and

(c) the steps taken or proposed to be taken to revive these units?

THE MINISTER OF STATE IN THE DEPARTMENT OF FERTILIZERS IN THE MINISTRY OF AGRICULTURE (SHRI R. PRABHU): (a) and (b) The sick fertilizer units in the eastern region are:—

Sl. No.	Name of the sick Unit	Nature of sickness
(i)	Namrup I & II	Low capacity utilisation due to design deficiency, equipment breakdown, power problems and industrial relations problems
(ii)	Durgapur	
(iii)	Barauni	
(iv)	Gorakhpur and	
(v)	Talcher	Low capacity utilisation due to inferior quality of coal as well as equipment problems and power problems.

(c) While captive power plants have been installed at Namrup and Durgapur, it is under installation at Barauni. For equipment and design deficiency problems, an end-to-end survey of Namrup I & II, Durgapur and Barauni plants has already been carried out by a foreign consultant. Revamping proposal for Gorakhpur is at an advanced stage of processing. For Talcher, a West German consultancy firm had carried out a rehabilitation study but revamping of Talcher could not be taken up for want of funds. Department of Coal has been requested to provide the appropriate quality of coal to the Talcher Unit. Recent changes in the top Executives of the Corporations have brought about improvements in industrial relations.
